### PROGRAM INFORMATION

Fall Quarter—2022

Dear Students and Families,

California Community Education Center is proud to invite you to apply to our Scholarship Program for our 2022 Fall Quarter. We are a team of dedicated instructors committed to increasing access to education and the arts for students from traditionally underserved communities. All applicants are welcome.

Our Scholarship Program provides tuition-free access to our online programs: After School Tutoring, and After School Music—Piano. After School Tutoring gives students live access to our tutors, offering additional support in Math, English, and Science. Our piano program is a 12-week course built for students to learn the fundamentals of music theory and piano performance. Please visit [www.calcec.org/programs](http://www.calcec.org/programs) for more information on our programs.
